

## Application for Development Line Extension

### **\*Applicant Information**

Applicant: \_\_\_\_\_

Phone: \_\_\_\_\_ Cell Phone: \_\_\_\_\_

Corporation or Partnership Name: \_\_\_\_\_

Current Mailing Address: \_\_\_\_\_

E-mail Address: \_\_\_\_\_

Projects require a NON-REFUNDABLE engineering deposit and field visit prior to preparing a binding project cost. The engineering deposit is \$150 per lot, with a minimum of \$600 for developments less than five lots. This deposit is applied towards the cost of the project if completed within 24 months of application. See LEC Policy 302.

**Please allow 4 business days for application processing.**

### **\*Property Information**

<b>▶ Please attach subdivision plat map to application along with other supporting documentation if necessary.</b>		
Section: _____	Township: _____	Range: _____
Development Name: _____		
Number of Lots to Be Served: _____		
Legal Land Description***: _____		
Physical Address of Property: _____		
Landowner is: <input type="checkbox"/> Same as Applicant (Skip Next) <input type="checkbox"/> Different from Applicant (Complete Next)		
Name(s): _____		Phone: _____
***Legal land description usually includes township, range, and section, subdivision name, and lot/tract/parcel number.		

### **\*Contact Information for Field Visit**

Same As Applicant (Skip Next)      Different from Applicant (Complete Next)

Name: \_\_\_\_\_ Phone: \_\_\_\_\_ Cell: \_\_\_\_\_

**\*Other Utilities Located on Parcel**~ Will require coordination at field visit and may require signed agreement from other utility approving facilities location.

Interbel Telephone                       Glen Lake Irrigation District            Other \_\_\_\_\_

Century Link                                Ziplly Fiber

### **Coordination Contacts (Skip If Unknown)**

Excavation Contractor: \_\_\_\_\_ Phone: \_\_\_\_\_ Cell: \_\_\_\_\_

Electrical Contractor: \_\_\_\_\_ Phone: \_\_\_\_\_ Cell: \_\_\_\_\_

*\*Indicates Required Fields*

## Application for Development Line Extension

I verify that:

- I am the stated Applicant or have been authorized by the Applicant to act on their behalf.
- I understand this project will be bound and regulated by LEC's Line Extension Policy 302, a copy of which is available at the LEC office or on their website at [www.lincolnelectric.coop](http://www.lincolnelectric.coop).
- A binding project cost will be provided to the applicant after completion of a field visit. I understand that this project cost is good for ninety (90) days. After ninety (90) days the project cost will be updated to reflect the current construction costs. I understand that I will be responsible for the additional Contribution In Aid of Construction (CIAC) costs due if the project cost changes.
- I understand I am responsible for notifying Lincoln Electric of the project status, changes to electrical design, and ensuring my project is completed within 24 months of application. Additional deposit funds may be required for changes.
- I understand that should the development require extensive engineering work, LEC will contact their normal engineering firm to complete engineering design on LEC's behalf. If LEC determines this is required, the applicant will be billed on a monthly basis or upon project completion for any outside engineering fees. LEC will make the final determination on project design.
- **I understand if the project is not completed within 24 months of application, the project will be closed and if there are any remaining Engineering Deposit funds, these funds will be forfeited by the Applicant.**
