LEC Trustee FAQ's

What qualifications do I need?

To be a trustee, you must be a member of LEC with your principal residence within the district to which you are elected to serve. You may not be elected as an LEC trustee if you were an LEC employee within the immediately preceding five (5) years or if you've been convicted of a felony.

Trustees should have a desire to become knowledgeable about Lincoln Electric, cooperatives, the energy industry, and the issues related to these. They should be willing to act in the best interest of the membership while continuing to maintain Lincoln Electric's strong viability now and for future generations.

For more information, please read Policies 202 – Board of Trustees Principles and 204 – Qualifications for Trustees.

How many meetings will I have to attend and how time consuming is a trustee position?

Newer trustees will generally need to spend more time for at least the first couple of years becoming better educated on cooperative matters. After increasing your knowledge base, you may not need to attend as many conferences, trainings, and other organizations' meetings as when you were first elected.

There are several types of meetings trustees are expected to attend.

Regular board meetings are the third Monday of each month at 6:00 pm in the LEC boardroom and typically last about one to three hours. Trustees will need to read the information packet prior to the meeting, which should take about one to two hours.

Each trustee serves on at least one committee, which typically requires about three to four meetings per year. These are generally one to three hours with the potential for a short amount of reading or preparation prior to the meeting.

All trustees are expected to attend the Annual Meeting, which is held on a Saturday in late March or early April. Expect to spend about two to three hours at the meeting. There is also a meeting the Friday night before that lasts one to two hours.

Each trustee usually attends at least one out-of-town conference or training each year, though new trustees may attend to acquire knowledge required of trustees. These conferences or trainings usually require the trustee to be out of town for three to five days, though some trainings may be longer.

Is there any compensation for serving?

Trustees receive \$150 per day for all regular, special, and committee meetings of the Board of Trustees. When attending meetings outside of Lincoln Electric' service area, trustees receive \$300 per day. Trustees are reimbursed for using their personal vehicle and for other related expenses while on cooperative business.

For more information please read Policies 207 – Trustee Out of Town Travel Authorization and 208 – Board Member Compensation.

ARTICLE I. MEMBERSHIP

Section 1. Requirements for Membership

Any natural person, firm, association, corporation, limited liability company business trust, partnership, Federal agency, state or political subdivision or agency thereof, or any body politic, or foreign government may be a member of Lincoln Electric Cooperative, Inc. (hereinafter called the "Cooperative") if they meet all the following requirements:

- a) Submit a completed and signed application for Cooperative membership.
- b) Agree to comply with the Articles of Incorporation of the Cooperative, these By-Laws and any rules or policies adopted by the Board of Trustees.
- c) Agree to provide to the Cooperative, free of charge, an easement for a distribution line required to provide service to other members or new applicants, provided that such line shall be built so that it shall not materially interfere with the normal use of the land by the owner.
- d) Be accepted for membership by the Board of Trustees or the members.
- e) Be receiving electric service from the Cooperative.

No member may hold more than one membership in the Cooperative and no membership in the Cooperative shall be transferable.

At each meeting of the members, all applications received more than ninety (90) days prior to such meeting, and which have not been accepted by the Board of Trustees, shall be submitted by the Secretary to such meeting, and, subject to the compliance by the applicant with the requirements herein above set forth, such applications, or any of them, may be accepted by a vote of the members. The Secretary shall give each such applicant at least ten (10) days notice of the date of the members meeting to which the applicant's application will be submitted and such applicant shall be entitled to be present and heard at the meeting.

Section 2. Joint Membership

Any two persons receiving electric service from the Cooperative at the same location may apply for joint membership, and be subject to their compliance with the requirements set forth in Article I, Section 1 of these By-Laws, may be accepted for such membership. The term "member" as used in these By-Laws shall be deemed to include two persons holding a joint membership. Without limiting the generality of the foregoing, the effect of the hereinafter actions by or in respect to the holders of a joint membership shall be as follows:

- a) The vote of either separately or both shall constitute one joint vote;
- b) A waiver of notice signed by either or both shall constitute a joint waiver;
- c) Notice to either shall constitute notice to both;
- d) Expulsion of either shall terminate the joint membership;
- e) Withdrawal of either shall terminate the joint membership;
- f) Either but not both may be elected or appointed as an officer or trustee, provided that both meet the qualifications for such office.

Section 3. Conversion of Membership

- a) A membership may be converted to a joint membership upon the written request of the holder thereof and the agreement by such holder and another party receiving electric services from the cooperative at the same location to comply with the Articles of Incorporation of the Cooperative, By-Laws, and any rules or policies adopted by the Board of Trustees.
- b) Upon the death of either party who is a part to the membership, such membership shall be held solely by the survivor.

Section 4. Purchase of Electric Energy

Each member must purchase from the Cooperative all electric energy used on the premises specified in the application for membership, except in such cases as a member may have a private source of electricity. Each member shall pay therefore monthly at the rates which shall from time to time be fixed by the Board of Trustees; provided, however, that the Board of Trustees may limit the amount of electric energy which the Cooperative shall be required to furnish to any one member. Each member shall pay to the Cooperative such minimum amount per month as shall be fixed by the Board of Trustees from time to time, regardless of the amount of electric energy consumed.

When a member has more than one service connection from the Cooperative, or purchases more than one product or service, any payment by the member shall be credited on a pro rata basis to the outstanding accounts of said member for all such service connections and products.

Section 5. Termination of Membership

Any member may withdraw from membership upon compliance with such uniform terms as the Board of Trustees may prescribe. The Board of Trustees may, by the affirmative vote of not less than two-thirds of all trustees, expel any member who shall have refused or failed to comply with any of the provisions of the Articles of Incorporation, By-Laws, rules or policies adopted by the Board of Trustees, but only if such member shall have been given written notice by the Secretary of the Cooperative that such refusal or failure makes the member liable to expulsion and such refusal or failure shall have continued for at least ten (10) days after such notice was given. Any expelled member may be reinstated by vote of the Board of Trustees or by vote of the members at any annual or special meeting.

Upon withdrawal, death, cessation of existence or expulsion of a member, the membership of such member shall thereupon terminate. Membership is terminated when a member ceases to receive electric service from the Cooperative. Termination of membership in any manner shall not release a member or a member's estate from any debts due the Cooperative.

Article II. Rights and Liabilities of Members

Section 1. Property Interest of Members

Members shall have no individual interest in the property of the Cooperative except that upon dissolution the property of the Cooperative remaining after all debts and liabilities of the Cooperative are paid, shall be distributed among the members in the proportion which the aggregate patronage of each member bears to the total patronage of all members during the seven years preceding the date of the filing of the certificate of dissolution.

Section 2. Non-Liability for Debts of the Cooperative

No member shall be individually liable or responsible for any debts or liabilities of the Cooperative.

Article III. Meetings of Members

Section 1. Annual Meeting

The annual meeting of the members shall be held in March or April each year, beginning with the year 1948, at such place in the County of Lincoln, State of Montana, as shall be designated in the notice of the meeting, for the purpose of passing upon reports for the previous fiscal year and transacting such other business as may come before the meeting. The annual meeting may be postponed by the Board of Trustees. Failure to hold the annual meeting at the designated time shall not constitute a forfeiture or dissolution of the Cooperative and does not affect any action taken by the Cooperative.

Section 2. Notice of Special Meetings

Special meetings of the members may be called by the Board of Trustees, by any three trustees, by the President or by ten per centum (10%) or more of all members, and it shall thereupon be

the duty of the Secretary to cause notice of such meeting to be given as hereinafter provided. Special meetings of the members may be held any place within the County of Lincoln, State of Montana, specified in such notice.

Section 3. Notice of Members' Meetings

Written notice, stating the place, day and hour of the meeting, and, in case of a special meeting or an annual meeting in which business other than listed in Article III, Section 6 of these By-Laws is to be transacted, the purpose or purposes for which the meeting is called, shall be delivered to each member not less than twenty-five (25) days before the date of the meeting, by or at the direction of the Secretary, or upon a default in duty by the Secretary, by the persons calling the meeting. If mailed, such notice shall be deemed to be delivered when deposited in a United States or Canadian post office or any regular depository thereof, addressed to the member's address as it appears on the records of the Cooperative, with postage thereon prepaid. Written notice may be delivered by email instead of by post office if requested in writing by the member. Electronic delivery is complete at the time of the electronic transmission or at the time the electronic notification of service of the notice is sent to the email address provided by the member and as it appears on the records of the Cooperative. The failure of any member to receive notice of an annual or special meeting of the members shall not invalidate any action which may be taken by the members in conjunction with any such meeting.

Section 4. Quorum

Two percent (2%) of the total members present in person shall constitute a quorum to conduct business at an annual meeting. Five percent (5%) of the total members present in person shall constitute a quorum to conduct business at any other meeting of the members. If less than a quorum is present at any meeting of the members, the Board of Trustees may adjourn the meeting and reschedule at such time that a quorum can be met. Two percent (2%) of the total members voting by mail-in ballot shall constitute a quorum for trustee elections and By-Laws amendments. Two-thirds (2/3) of the total members voting by mail-in ballot shall constitute a quorum for By-Laws repeal.

Section 5. Voting

Each member shall be entitled to only one vote per membership. All questions, except the election of trustees, shall be decided by a vote of the majority of the members voting, except as otherwise provided by law, the Articles of Incorporation or these By-Laws. Trustees shall be elected by receiving the highest number of votes; not necessarily a majority. If more than one trustee is to be elected in a district, all candidates who receive the highest number of votes on a single ballot for that district shall be elected to fill the positions. Tie votes shall be resolved by a coin flip. A person who intends to vote a membership of an organization with multiple ownership, shall be required to furnish, at the time of registering for the meeting and submitting their mail-in ballot, a certificate from a duly authorized officer of the organization certifying that such person shall have the right to vote the membership at the meeting and by mail-in ballot. All votes must be by ballot. No voting by proxy shall be permitted.

Section 6. Mail-In Ballots

Members shall vote by mail-in ballot on all By-Laws amendments, By-Laws repeal, and trustee elections with the results announced at the annual meeting or the last business day of April, whichever first occurs. All other voting arising from a meeting of the members shall be in person by written ballot.

Valid and authorized mail-in ballots received on or before the time and date as specified on the ballot shall constitute a vote. If duplicate ballots are received from a membership, all ballots from that membership shall be disqualified.

Each Cooperative membership shall be provided a mail-in ballot with their official notice of member's meeting or by other method approved by the Board of Trustees. The failure of any member to receive a mail-in ballot does not affect the election results.

The mail-in ballot shall:

- a) Describe each proposed By-Laws amendment and identify all candidates upon which members are asked to vote.
- b) Provide a reason for any proposed By-Laws amendment.
- c) Instruct members how to complete, as well as when and where to return the mail-in ballot for the ballot to be valid.

Mail-in ballots shall be counted by either an election committee consisting of at least five (5) members of the Cooperative or a Certified Public Accountant firm (hereinafter referred to as CPA) selected by the Board of Trustees. The Board of Trustees shall determine if ballots are counted by an election committee or a CPA. The election committee, by a majority vote, or the CPA has the authority to invalidate any ballots.

Section 7. Order of Business

The order of business at the annual meeting and, so far as possible, at all other meetings of the members, shall be essentially as follows:

- a) Report as to the number of members present.
- b) Reading of the notice of meeting and proof of delivery thereof.
- c) Reading of unapproved minutes of previous meetings of the members.
- d) Presentation of reports of officers.
- e) Announce trustee election and By-Laws amendments results, if not previously announced by another method.
- f) Unfinished business.
- g) New business.
- h) Adjournment.

Article IV. Trustees

Section 1. General Powers

Except as provided below, the business of the Cooperative shall be managed by a board of ten (10) trustees which shall exercise all the powers of the Cooperative except such as are reserved to the members.

At the Board of Trustees' discretion, the total number of trustees may be reduced from ten (10) to seven (7). This reduction can only occur when a trustee position, during the trustee's term of office, becomes vacant for any reason.

Under this section, a vacancy is not created by the expiration of a term of office.

Section 2. Term of Office

At the annual meeting of the members or the last business day in April, whichever occurs first, there shall be elected the number of trustees equivalent to the number of trustees whose terms expire that year. Each trustee shall hold office for the term of three years. Despite the expiration of a trustee term, the trustee continues to serve until a new trustee is elected.

During the period of the reduction of the number of trustees from ten (10) to seven (7), trustee terms may be adjusted by the Board of Trustees to prevent no more than three (3) trustee terms expiring in the same year.

Section 3. Trustee Districts

At the regular meeting of the Board of Trustees in April of each year, said board shall evaluate the member per trustee representation in each district to determine if district boundaries should be adjusted. If districts are to be amended, the trustees will divide the project into districts with boundaries determined along natural geographical lines and the distribution lines of this project and shall specify the number of trustees that shall be elected from each district at the next annual meeting. As used

here, the term "...trustee...from each district..." means an individual member (as contrasted with a corporate, partnership or similar entity) whose principal residence is within the district. The number of trustees to be elected from each district shall be determined by the board upon the basis of the Cooperative membership in said district and shall be so determined that the number of members per trustee to be elected in each district shall be as nearly equal as possible.

Section 4. Trustee Qualifications

No person shall be a trustee or hold any position of trust in the Cooperative who:

- a) Is not a member of the Cooperative.
- b) Has interest or controlling interest in another organization that is not in good standing with the Cooperative or the qualifications listed herein.
- c) Is a trustee and no longer has his or her principal residence within the district.
- d) Has been employed by the Cooperative within the immediately preceding five (5) years.
- e) Has been convicted of a felony.

Upon the establishment of the fact that a trustee is holding office in violation of any of the foregoing provisions, the Board of Trustees shall immediately remove such trustee from office, provided that in the case of c), the trustee shall continue until the next annual meeting of the Cooperative.

Section 5. Trustee Nominations

There shall be nominated from each district at least as many candidates as there are trustees to be elected from such district and there be elected from each district the number of trustees specified as hereinbefore provided. Each nomination of the office of trustee in any district shall be made by a petition for election of trustees submitted to the Secretary of the Cooperative not less than 100 days prior to the annual meeting or at another time as determined by the Board of Trustees at their discretion. Each petition shall consist of the printed name, address, telephone number, Cooperative member number, and original dated signature of not less than five (5) members from the candidate's district. The petition shall be signed by the candidate asserting his or her qualifications for the position and agreement to serve as trustee if so elected.

Section 6. Removal of Trustee by Members

Any member may bring charges against a trustee by filing such charges in writing with the Secretary, together with a petition signed by at least ten per centum (10%) of the members and request the removal of such trustee by reason thereof. The question of such removal shall be considered and voted upon at the next regular or special meeting of the members, and any vacancy created by such removal may be filled by vote of the members at such meeting without compliance with the foregoing provisions with respect to nominations.

Section 7. Vacancies

Subject to provisions of these By-Laws with respect to the filing of vacancies caused by any reason other than term expiration, a vacancy occurring on the Board of Trustees shall be filled by the affirmative vote of a majority of the remaining trustees for the unexpired portion of the term of trustee in respect of whom the vacancy occurs. Except, during the board size reduction from ten (10) to seven (7) trustees, the Board of Trustees may elect not to fill a vacancy. If filling a vacancy, the trustees must give public notice of such vacancy and shall fill such vacancy within one hundred twenty (120) days of its occurrence.

Section 8. Attendance at Meetings

If a trustee fails to attend three consecutive meetings of the board, without authorization by such board, he or she shall automatically cease to be a trustee of the Cooperative, and the vacancy created by his or her removal shall be filled by appointment by the remaining trustees in the same manner as other vacancies on the board are filled.

Section 9. Compensation

Trustees as such shall not receive any salary for their services, but by resolution of the Board of Trustees, a fixed sum and expenses of attendance, if any, may be allowed trustees for attendance at each meeting of the Board of Trustees, or a committee of the board, and for any trip made or meeting attended on Cooperative business and previously authorized by the Board of Trustees. No trustee shall receive compensation for serving the Cooperative in any other capacity, nor shall any close relative of a trustee receive compensation for serving the Cooperative.

Article V. Meetings of the Trustees

Section 1. Regular Meetings

A regular meeting of the Board of Trustees shall be held without notice other than this by-law, immediately after, and at the same place as, the annual meeting of the members. A regular meeting of the Board of Trustees shall be held monthly at such time and place in Lincoln County or Flathead County, Montana, as the Board of Trustees may provide by resolution. Such regular monthly meetings may be held without notice other than such resolution. For good cause, the President may change the date, time and location of any regular Board meeting.

Any trustee not attending any Board meeting at which the regular meeting date, time or location is changed is entitled to receive notice of the regular Board meeting at least five (5) days before the next regular Board meeting. All Trustees are entitled to receive notice of a President's change in the regular Board meeting date, time or location at least five (5) days before the changed regular Board meeting.

Section 2. Special Meetings

Special meetings of the Board of Trustees may be called by the President or by any three (3) trustees and it shall thereupon be the duty of the Secretary to cause notice of such meeting to be given as hereinafter provided.

Section 3. Open Meetings

All meetings of the Board of Trustees shall be conducted in conformance with the open meeting law of the State of Montana.

Section 4. Notice of Trustees' Meetings

Written notice of the time, place and purpose of any special meeting of the Board of Trustees, shall be delivered to each trustee not less than five (5) days previous thereto, either personally or by mail, by or at the direction of the Secretary, or upon a default in duty by the Secretary, by the President of the trustees calling the meeting. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail addressed to the trustee at his or her address as it appears on the records of the Cooperative, with postage thereon prepaid.

Section 5. Quorum

A majority of the Board of Trustees shall constitute a quorum, provided, that if less than such majority of the trustees present may adjourn the meeting from time to time. The act of the majority of the trustees present at a meeting at which a quorum is present shall be the act of the Board of Trustees.

Section 6. Conduct of Board Meetings

Unless otherwise provided in these By-Laws, any regular Board meeting or special Board meeting may be conducted with absent trustees participating and being present in person through any means of communication by which all trustees participating in the Board meeting may simultaneously hear each other during the board meeting.

Article VI. Officers

Section 1. Number

The officers of the Cooperative shall be a President, Vice President, Secretary and Treasurer. The offices of Secretary and Treasurer may be held by the same person.

Section 2. Election and Term of Office

The officers shall be elected by ballot, or other method approved by the board, annually by and from the Board of Trustees at the next regular or special meeting of the Board of Trustees held after the trustee election results are announced. If the election of officers shall not be held at such meeting, such election shall be held as soon thereafter as possible. Each officer shall hold office until his or her successor shall have been elected and qualified. A vacancy in any office shall be filled by the Board of Trustees for the unexpired portion of the term.

Section 3. Removal of Officers and Agents by Trustees

Any officer or agent elected or appointed by the Board of Trustees may be removed by the Board of Trustees whenever in its judgment the best interests of the Cooperative will be served thereby. In addition, any member of the Cooperative may bring charges against any officer by filing such charges in writing with the Secretary, together with a petition signed by ten per centum of the members, and request the removal of the particular officer for reason thereof. The question of removal of such officer shall be considered and voted upon at the next regular or special meeting of the members.

Section 4. President

The President shall:

- a) Be the principal executive officer of the Cooperative and shall preside at all meetings of the members and the Board of Trustees.
- b) May sign any deeds, mortgages, deeds of trust, notes, bonds, contracts or other instruments authorized by the Board of Trustees to be executed.
- c) In general perform all duties incident to the office of President.

Section 5. Vice President

In the absence of the President, or in event of his or her inability or refusal to act, the Vice President shall perform the duties of the President, and when so acting, shall have all the powers of and be subject to all the restrictions upon the President. The Vice President shall also perform such other duties as from time to time may be assigned to him or her by the Board of Trustees.

Section 6. Secretary

The Secretary shall:

- a) Keep the minutes of the meeting of the members and of the Board of Trustees.
- b) See that all notices are duly given.
- c) Be custodian of the Cooperative records and of the seal of the Cooperative and affix the seal of the Cooperative to all required documents, the execution of which on behalf of the Cooperative under its seal is duly authorized in accordance with the provisions of these By-Laws.
- d) Keep a register of the names and mailing addresses of all members.
- e) Have general charge of the books of the Cooperative.
- f) Keep on file at all times a complete copy of the Articles of Incorporation and By-Laws of the Cooperative containing all amendments thereto, and at the expense of the Cooperative, forward a copy of the By-Laws and all amendments thereto to each member.
- g) In general perform all duties incident to the office of Secretary.

Section 7. Treasurer

The Treasurer shall:

- a) Have charge of and be responsible for all funds and securities of the Cooperative.
- b) Be responsible for the receipt and the issuance of receipts for moneys due and payable to the Cooperative, and for the deposit of all such moneys in the name of the Cooperative in such bank or banks as shall be selected in accordance with the provisions of these By-Laws.
- c) In general perform all duties incident to the office of Treasurer.

Section 8. Manager

The Board of Trustees may appoint a manager who may be, but who shall not be required to be, a member of the Cooperative. The manager shall perform such duties and shall exercise such authority as the Board of Trustees may from time to time vest in him or her.

Section 9. Bond of Officers

The Treasurer and any other officer or agent of the Cooperative charged with responsibility for custody of any of its funds or property shall give bond in such sum as the Board of Trustees shall determine. The Board of Trustees in its discretion may also require any other officer, agent or employee of the Cooperative to give bond in such amount as it shall determine.

Section 10. Compensation

The powers, duties and compensation of all officers, agents and employees shall be fixed by the Board of Trustees, subject to the provisions of these By-Laws with respect to compensation for trustees and close relatives of trustees.

Section 11. Reports

The officers of the Cooperative shall submit at each annual meeting of the members, reports covering the business of the Cooperative for the previous fiscal year. Such reports shall set forth the condition of the Cooperative at the close of such fiscal year.

Article VII. "Non-Profit Operation"

Section 1. Interest or Dividends on Capital Prohibited

The Cooperative shall at all times be operated on a cooperative non-profit basis for the mutual benefit of its patrons. No interest or dividends shall be paid or payable by the Cooperative on any capital furnished by its patrons.

Section 2. Patronage Capital in Connection with Furnishing Electric Energy and Other Services and Products.

In the furnishing of electrical energy or other products and services the Cooperative's operations shall be so conducted that all patrons will through their patronage furnish capital for the Cooperative. In order to induce patronage, and to assure that the Cooperative will operate on a non-profit basis, the Cooperative is obligated to account on a patronage basis to all its patrons for all amounts received and receivable from the furnishing of electric energy or other products and services. All such amounts in excess of operating costs and expenses at the moment of receipt by the Cooperative are received with the understanding that they are furnished by the patrons as capital. The Cooperative is obliged to allocate and pay by credits to a capital account for each patron all such amounts in excess of operating costs and expenses. The books and records of the Cooperative shall be set up and kept in such a manner that at the end of each fiscal year the amount of capital, if any, so furnished by each patron is clearly reflected and credited in an appropriate record to the capital account of each patron, and the Cooperative shall within a reasonable time after the close of the fiscal year notify each patron of the amount of capital so credited to the member's account. All such amounts credited to the capital account of any patron shall have the same status as though they had been paid to the patron in cash in

pursuance of a legal obligation to do so and the patron had then furnished the Cooperative corresponding amounts for capital.

Section 3. Patronage Allocation

All other amounts received by the Cooperative from its operations in excess of costs and expenses shall be used to offset any losses incurred during the current or any prior fiscal year and to the extent not needed for that purpose, allocated to its patrons on a patronage basis and shall be included as part of the capital credited to the accounts of the patrons, as herein provided.

Section 4. Capital Credit Retirement

In the event of dissolution of the Cooperative, after all outstanding indebtedness of the Cooperative shall have been paid, outstanding capital credits shall be retired without priority on a pro rata basis before any payments are made on account of property rights of members. If at any time prior to dissolution, the Board of Trustees shall determine that the financial condition of the Cooperative will not be impaired thereby, the capital then credited to the patrons' accounts may be retired in full or in part. In no event, however, may any such capital be retired unless, after the proposed retirement, the capital of the Cooperative shall equal at least fifteen per centum (15%) of the total assets of the Cooperative.

The Cooperative shall retire capital credits in the manner, method, timing, and amount as approved and at the discretion of the Board of Trustees.

The Board of Trustees shall have the power to provide for the special retirement of all capital credited to a deceased person, a person permanently leaving the area in which the Cooperative operates, or a bankrupt or dissolved corporation. Such capital credits may be retired in advance of the regular time such capital would be retired under these By-Laws, provided that such advance retirement shall be requested in writing by a duly authorized representative of the parties seeking such early retirement. Any special retirement of capital credits shall only be made when such retirement will not impair the financial condition of the Cooperative. Any retirement of capital credits shall be subject to any restriction imposed against such retirement by the Cooperative Finance Corporation.

The Board shall establish rates for products and services to provide a sufficient cash flow for the general retirement program herein established.

Section 5. Assignment of Capital Credits

Capital credited to the account of each patron shall be assignable only on the books of the Cooperative pursuant to written instructions from the assignor and only to successors in interest or successors in occupancy in all or part of such patron's premises served by the Cooperative.

Section 6. Members Bound by By-Laws

The patrons of the Cooperative, by dealing with the Cooperative, acknowledge that the provisions of the Articles of Incorporation and By-Laws shall constitute and be a contract between the Cooperative and each patron, and both the Cooperative and the patron are bound by such contract as fully as though each patron had individually signed a separate instrument containing such provisions.

Section 7. Redemption of Member Capital Credits at a Discount

Notwithstanding any other provisions of these bylaws, the Board of Trustees, in its sole discretion, may establish an equity discounting program whereby all or partial balances of existing allocated patronage capital may be paid in cash at a discount to members or former members.

The Board of Trustees is authorized to suspend the discounting program if, in their sole judgment, such action is in the best interest of the Cooperative. Further, the Board is authorized to adopt administrative policies and rules for the effective implementation of the program.

If the patronage capital discounting is offered by the Board of Trustees, then it will be at the option of the member or former member to participate.

Article VIII. Disposition of Property
