Submission of this rebate application constitutes a representation on the part of the member and participating propane appliance installer that the work shown on the form has actually been completed. Lincoln Electric reserves the right to perform a home visit to verify installation prior to rebate issuance if deemed necessary. A safety inspection must be performed by the participating propane marketer after the installation of each new qualifying appliance and the result of that inspection. The safety inspection for qualifying appliance installations must include one or more of the following: 1) a leak test; 2) a pressure test if required by applicable laws, rules, and regulations; and/or 3) a flow and lock-up test on the regulator(s). The propane marketer agrees to comply with all laws, rules, and regulations governing the installation of the qualifying appliance and with the manufacturer's installation instructions. Lincoln Electric Cooperative, Inc. (LEC) assumes no responsibility whatsoever for the installation, inspection, or testing of the qualifying appliance or any associated gas system and, by issuing a rebate, makes no representation, warranty, or guarantee regarding the qualifying appliance or the associated gas system. LEC disclaims any liability for any personal injury, property damage, business losses, or other damages of any nature whatsoever, whether special, indirect, consequential, or compensatory, directly or indirectly arising from the installation of the qualifying appliance or gas system.

I certify that this appliance was purchased for installation at the member's address listed on page 1 of this application. I understand that verification of a safety inspection and a receipt of purchase are required at application for the rebate to be processed. I am also understand that no check will be issued until all program requirements have been met. I understand it is my responsibility to install the appliance to meet all applicable codes. All rebates are subject to availability. LEC has first rights on interpretation of all terms and conditions pertaining to this rebate program.

All rebates will be completed as a check issued in the applicant name(s) and mailed to the applicant's address as listed on page 1 of this application. All rebate checks expire 120 days from issue date. If a rebate check expires, it will nto be reissued. LEC assumes no responsibility for a member's failure to receive or cash their rebate check. I understand processing of my application may take up to six (6) weeks before a check is issued.
