Application for Line Extension or Service Install

***Property Information**

Section: _____ Township: _____ Range: _____

Legal Land Description***: _____

Physical Address of Property: _____

Name of Nearest LEC Served Neighbor or LEC Pole/Transformer No: _____

Description of Service: _____

Landowner is: Same as Applicant (Skip Next) Different from Applicant (Complete Next)

Name(s): _____ Phone: _____

***Legal land description usually includes township, range, and section, subdivision name, and lot/tract/parcel number.

***Contact Information for Field Visit**

Same As Applicant (Skip Next) Different from Applicant (Complete Next)

Name: _____ Phone: _____ Cell: _____

***Other Utilities Located on Parcel**~ May require coordination at field visit.

Interbel Telephone Glen Lake Irrigation District Other _____
 Century Link Ziplly Fiber

Coordination Contacts (Skip If Unknown)

Excavation Contractor: _____ Phone: _____ Cell: _____

Electrical Contractor: _____ Phone: _____ Cell: _____

I verify that:

- I am the stated Applicant or have been authorized by the Applicant to act on their behalf.
- I understand this project will be bound and regulated by LEC's current Line Extension Policy 302, a copy of which is available at the LEC office or on their website at www.lincolnelectric.coop.
- A binding project cost will be provided to the applicant after completion of a field visit. I understand that this project cost is good for thirty (30) days. After thirty (30) days the project cost will be updated to reflect the current construction costs. I understand that I will be responsible for the additional Contribution In Aid of Construction (CIAC) costs due if the project cost changes.
- I understand I am responsible for notifying Lincoln Electric of the project status, changes to electrical design, and ensuring my project is completed within 24 months of application. Additional deposit funds may be required for changes.
- **I understand if the project is not completed within 24 months of application, the project will be closed and if there are any remaining Engineering Deposit/Service Install Only funds, these funds will be forfeited by the Applicant.**
