## Air Source Heat Pump Conversion Form (without PTCS)

For converting to ducted air source and variable speed heat pumps. Not necessary if using the PTCS Program.  
 All sections must be completed by the installer at the time of installation.

### Eligibility:

- Available for existing single-family and existing manufactured homes
- Existing heating system type must be an electric forced air furnace (conversion)
- Heat pumps must be AHRI rated, and have a minimum of 9.0 HSPF and 14 SEER

### Household & Heat Pump Compressor Information

Electric utility account number	Installation date	Total heated area of the home: <span style="float: right;">Sq Ft</span>	
Installation address			
City		State	Zip
<u>Mailing Address, if different:</u>			
Home type: <input type="checkbox"/> Existing site-built <input type="checkbox"/> Existing Manufactured: # of Sections <input type="checkbox"/> 1 <input type="checkbox"/> 2 <input type="checkbox"/> 3			
Existing Heating System Being Replaced: <input type="checkbox"/> Electric forced air w/out AC <input type="checkbox"/> Electric forced air w/ AC <input type="checkbox"/> Other non-electric space heating: _____ This measure doesn't apply if the existing heating system is an air source heat pump, ground source heat pump, natural gas furnace, or electric zonal—including ductless heat pumps. Please reference the PTCS program.			
Heat pump outdoor compressor type: <input type="checkbox"/> Non variable speed <input type="checkbox"/> Variable speed			

### Documentation to submit with this form:

- Copy of this completed form
- Purchase receipt or invoice, including the heat pump make and model number
- AHRI Certificate
- **If a variable speed compressor**, include manufacturer documentation that the outdoor compressor includes variable speed or inverter driven technology (e.g. specification sheet, brochure, or screen shot). *Note: Including the text "variable speed" on the invoice will not satisfy this requirement. Additional documentation is required.*

**Company Name:** \_\_\_\_\_  
 (From Certified Installer List)

**Installer Signature:** \_\_\_\_\_  
 I certify that this system was installed in accordance with Lincoln Electric Cooperative specifications

I certify that this air source heat pump was purchased and installed at the above address. I will allow a representative of Lincoln Electric Cooperative, Inc., to verify installation of the heat pump. I understand that it is my responsibility to install the heat pump to meet all applicable codes. Lincoln Electric is free from all liability arising from the installation or operation of this heat pump.
